APPROVED SUB-CONTRACTOR

Certificate Number
BHL/PT21G/13/13

Gase Engineering Ltd
7 Tower Park Road, Crayford, Kent DA1 4LB

Under the terms of EASA Part 21 Sub-part G Approval, Gase Engineering Ltd is hereby appointed as an approved sub-contractor in respect of precision machining of aeronautical components.

This approval is issued on the basis of Gase Engineering Ltd having demonstrated an acceptable Quality System and will remain in effect unless revoked, on condition that acceptable quality products are received from your company.
